**DIR CONTRACT NO. DIR-TSO-3885      APPENDIX D**  
**SERVICE AND SUPPORT AGREEMENT**

A service call for a one hour response time received after 4:00 pm will require that a service technician be on-site by 9:00 am the following business day. A service call for a four-hour response received after 2:00 pm will require that the service technician be on-site by 9:00 am the following business day. Next Day service requests received after 2:00 pm will require a service technician to be on-site by 4:00 pm the next business day.

For Customers that request and approve, in writing, and agreed upon by Currey Adkins, repairs may be during hours other than normal business hours, stated above. DIR-TSO-3885 Appendix C, Pricing Index has pricing for overtime hours.

**4.** Labor hours paid under DIR-TSO-3885 shall be only for productive hours at the job site. Time spent for transportation of workers or the acquisition, handling, and delivery of parts or materials is not a direct charge but shall be considered an overhead charge and are included in the hourly rates bid for labor. If Customer requests delivery of parts that exceed Ground Service, Currey Adkins will charge the Customer difference between ground and express delivery services.

**5.** If a service call is requested to inspecting equipment and making a cost estimate to repair equipment, the time required visiting and inspecting (excluding travel) is chargeable.

**6.** Service shall be on a per-call basis, as needed, and will be charged at an hourly rate in increments of quarter hours (15 minutes) after the first hour. The minimum charge for a service call will be the established hourly rate for one hour.

**7.** Per-call shall mean a service visit to the office requesting repairs. If the technician repairs more than one piece of equipment per service call at the same location, the Vendor is not entitled to a one hour minimum charge for each piece of equipment repaired, but is only entitled to bill for the total time required for repair of all machines repaired during the visit.

**8.** If the service technician must return to the repair site due to a lack of parts, then Currey Adkins is not entitled to the minimum hourly charge for the subsequent visit. The subsequent visit will be billed based on the time spent on repairs, at the quarterly hourly rate, plus the cost of repair parts.

**9.** The length of time allowed for service charge will be measured from the time the service technician reports to the Customer's site until completion of the last equipment repair during the service call. Currey Adkins will not be allowed to charge for time spent during lunch or break periods.

**10.** All repairs will be made on-site whenever possible. In the event major repairs require removal of machines to Currey Adkins' place of business, or it is estimated that repair costs will exceed \$250.00, Currey Adkins must provide the Customer with a written estimate of the costs of repairs and time required to complete the repairs and receive written authorization to proceed with repairs. In the event repairs exceed seven (7)

calendar days and at the Customer's request, Currey Adkins must provide a similar and compatible piece of equipment until the repaired equipment is returned.

**11.** All replacement parts for a specific device must be that of the original manufacturer, new or reconditioned like new, or a fully compatible unit from another manufacturer. A fully compatible part is defined as any component that meets or exceeds the original manufacturer's specifications for that item. Parts repaired and certified by the Vendor may be utilized; however, only a fair market value may be charged for the part. A description of how the Vendor determined the fair market value may be required by the customer. All parts must be warranted for a period of 90 days from the date of repair or standard warranty period of the OEM, whichever is longer.

**12.** Any repeated service required within this warranty period because of a defective replacement part shall be performed at no charge to the customer.

**13.** Cost of parts to complete a repair will be the actual price paid by the Vendor to the manufacturer or distributor of the repair part plus a predefined mark up to offset the administrative costs to order, track, and deliver a part. A copy of the Vendor's paid invoice for parts shall be provided to customer upon request for the purpose of verifying the actual Vendor's costs for parts. Currey Adkins shall provide the proposed markup percentage for parts in DIR Contract Number DIR-TSO-3885 Appendix C, Pricing Index.

**14.** To ensure comprehensive and adequate coverage of all potential customers in all parts of the State, responding Vendors are required to respond by State Zone. These zones are identified by the map in Appendix C1, Zone Map to DIR Contract Number DIR-TSO-3885. Partial coverage of an individual State Zone is not permitted. Quoted rates must be applicable to an entire State Zone.

**15.** BreakFix Service for Software is not within the scope of this RFO.

**16.** BreakFix Service for large data center equipment is not within the scope of this RFO.

**17.** Replacement parts are provided AT COST plus mark up as indicated in Appendix C, Pricing Index. If Customer wishes to be provided with a copy of the invoice for the replacement part, Currey Adkins will provide it.
